

2022-2023 Inclusion Report

43 Schools
Across 23 School Districts

During the 2022-2023 School Year, 43 Wyoming Schools across 23 school districts implemented Special Olympics Unified Champion Schools.

- 41.9% of schools implement all 3 components of the UCS strategy
- 44.2% of schools implemented 2 components
- 14% of schools implemented 1 component

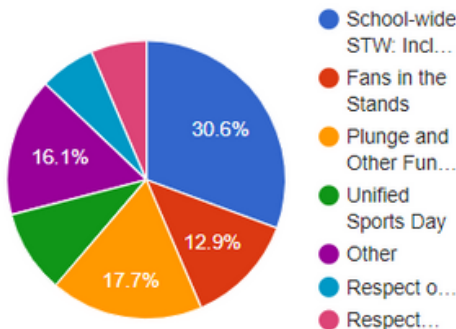

Special Olympics Unified Champion Schools®

Thanks to the dedication of our educators, students, school district teams, and coaches, more Wyoming students were engaged in *meaningful social inclusion* than ever before, highlighting the power of the #UnifiedGeneration and their ability to create sports, classrooms, and schools of acceptance.
