1)	Refer to Local Accounting History www.specialolympicswy.org/programs/local & Area Programs/Area - Bottom of the page has financial information - Enable Editing and unhide rows - Transfer information to both Income & Expense
2)	Determine projected **expenses** for the coming year: - Which Events - How many athletes, coaches, and volunteers will attend - Will the program have additional activities
3)	Determine projected **income** for the coming year: - Which state sponsored activities will you participate in - What has been successful in the past that you will continue - Do you need new ideas?
4)	Review income vs expenses ~ assure that expenses are not higher than income
