I hereby declare I am a willing participant in the ‘Stache for Cash’ charity event. I understand that this event runs until the end of (insert date) and agree to join my fellow ridiculous moustache growers in it’s’ entirety all in the name of a good cause. I also understand that my ‘Self Pledge’ amount is due immediately should I opt out, instead choosing to expose myself to ridicule from the remaining participants. I realize that any sponsors pledge is released from said pledge if I do not complete the event.
