Sponsor Name \_\_\_\_\_

Stache Pledge \$ \_\_\_\_\_

Who's Stache is being Sponsored? \_\_\_\_\_

I agree to sponsor the above listed 'Stache in the name of charity for the Special Olympics Wyoming. I understand that my pledge is only due upon successful completion of the event by said 'Stache growing participant until (insert date). Should the participant shave said 'Stache, I am released from all sponsoring liability and will mercilessly ridicule them for bailing out on their fellow participants, not to mention the pledge they just lost for Special Olympics Wyoming.
