Spring 2020

Celebrations!

 Area Winter Games had significant participation from Law Enforcement – thank you!

 2020 Winter Games Final leg was a great success; five agencies involved, Opening Ceremony participation even better.

 Winter Games Awards presenters – may be our best year ever.

 Jackalope Jumps – seven completed – Law Enforcement integral in each jump; largest group, most money raised, best costume, and that doesn't include all of the behind the scenes work.

 [Mike Barrett](#), hired as the Director of LETR, will support your efforts through the Law Enforcement Torch Run and Jackalope Jumps.

 For the second International final leg in a row, Wyoming will have an athlete participating. Come to the Kick-off Lunch to meet her.
