Dear Community Partner,

The **Special Olympics Wyoming State Winter Games** are coming up in Jackson! We're looking forward to the 48th year of the State Winter Games in 2026; these games began in Jackson in 1978.

Across Wyoming, volunteers and staff have been **hosting local, area, and state competitions and sports training for Special Olympics Wyoming athletes year-round**. Our organization offers well-coached Olympic-type sports training and competition for individuals with intellectual disabilities. Through sports, we provide opportunities for athletes to develop physical fitness skills, express courage, experience joy, and participate in the sharing of talents, skills and friendship with their families, friends, other Special Olympics athletes, and the community.

Special Olympics Wyoming:

- Serves more than 2,000 athletes each year.
- Has active teams in every county in Wyoming.
- Offers competitions and training for all ability levels across 14 sports options.
- Annually hosts 19 competitions around the state, including four statewide events.
- Offers Unified Sports, where athletes with and without intellectual disabilities compete as a team.
- Promotes inclusive programming in our schools through our Unified Champion Schools initiative.
- Partners with Wyoming High School Activities Association to host the

Unified State Track & Field Championship.

- Goes beyond sports to offer Healthy Athletes, Young Athletes, and athlete leadership programs.
- Never asks athletes to pay to participate.
- Recruits more than 2,000 volunteers each year to assist with coaching, training, competition, and health services.
- Continues to grow and expand programming year after year to better serve our athletes.

We are asking for your involvement and commitment to hosting Special Olympics Wyoming State Winter Games in your community so we can continue to serve our Special Olympics Wyoming athletes!

The 48th Special Olympics Wyoming State Winter Games will be held in Jackson from February 24-26, 2026. Athletes from around Wyoming and beyond will descend upon Jackson to compete in Alpine Ski, Snowboard, Snowshoe, and Cross-Country Ski events. To make this competition a true success, we need your involvement.

As a **community leader**, your connections, resources, and history of supporting mission-driven work can make a huge difference in the lives of our athletes. **Would you be willing to continue to support the cause by becoming a Partner for this year's event?** Your business could be included in this unique opportunity to highlight the importance of Special Olympics Wyoming to the community.
